

This form should be filled out by the Au Pair's International Representative during the Au Pair's interview. An English Rating Code should be selected for each answer.

ENGLISH RATING CODE

- A. Answered in complete sentences
- B. Answered with isolated words or phrases
- C. Asked me to rephrase the question

Au Pair's First Name Miryan	Last Name	
Interviewer's First Name	Last Name	
Date (mm/dd/yy) 01/09/19		
Question	Au Pair Answer	ABC
Why do you want to be an Au Pair?	She wants to be an au pair because she needs to learn more English. She thinks it is good because in the future she can travel to another country and meet new people. The most important thing to her is that she likes to take care of children and that makes her happy.	000
What would you need in order to enjoy your time in the U.S.?	She says that first she would need to take her English classes. She would like to eat good, have her own bedroom and that probably that she can drive on weekends to enjoy her time with her friends. She wants to have a good relationship with the family and the kids.	000
Describe your plans for the future. What are your goals?	She wants to have her own family and money. She wants to continue studying. She wants to travel all over the world and continue improving her English.	000
Describe your general health.	She says that she is healthy and that she does not have any probem.	000
Have you experienced or been treated treated for depression, alcoholism, drug addiction or an eating disorder? Pease explain.	She does not have any of the mentioned problems. Her family always disciplined her.	000
Has anyone in your family suffered from depression or alcoholism? Please explain.	Nobody in her family experienced that because all her family is healthy.	000
Describe any history of child abuse in your family.	She says that she never had this problem at home.	000
Describe where you were born and raised.	She was born in and actually she is living in 4 years ago. She is living alone.	⊚00
Do you have any siblings? If so, how old are they?	She has five siblings. She has two sisters and three brothers. She is the youngest one.	000

Question	Au Pair Answer	ABO
Describe the relationship you have with your siblings.	The relationship that she has with her siblings is really good. They have a really good communication and they support each other. She has a better relationship with her older sister Sonia because all the time she is worried about her, giving her advice and taking care of her.	000
How often do you have contact with your family members?	She talks twice a week with her family and her parents by phone call because they are 10 hours away from where she lives. She says that they are always asking her if she is good or if she needs something.	000
How were you disciplined as a child?	She received at home a very good discipline. She remembers that her stepmother taught her how to be patient and responsible. When she started to live alone she became to be more responsible.	000
Describe your family's support of your decision to become an Au Pair.	She says that when she told them they were really happy and that they support her because it is a great opportunity. They are going to help her all the time that she needs and also they told her that they are going to miss her.	000
What is your family's reaction to you spending a year away from home?	She says that they are happy because she is going to learn more about life. She is going to learn more English and meet new people. They said that she was going to do what she likes and to accomplish her dream. They were not going to be sad because that is what she wants.	000
When, where and for how long have you spent time away from home?	She says that she is away from home 6 years ago living by her own. She took the decision to do it because she started studying and also she started working in	000
When, where and for how long have /ou traveled in English speaking countries?	She has not traveled to any English speaking country.	000
What is your favorite area of study? Why do you like it?	She likes to study math and also her favorite area of study is to study and learn more English that is why she wants to travel.	000
Where and when did you complete ony formal English courses?	She studied at college and she is going to take a course.	000
What volunteer work have you lone?	She has not done any volunteer.	000
What did you like and dislike about your last last child care experience?	She says that she likes being around the kids playing and feed them it is her favorite. She loves when they are smiling or when she teach them how to speak simple words. She dislikes when they are crying and she is not able to calm them.	000
What is the most important skill you ave for being a primary child care provider?	She says that her primary skill is being really patient, responsible and to be an easygoing person. It is easy to her cook food for the kids and play with the kids when they are upset or crying. She likes to make them feel happy.	000

Question	Au Pair Answer	ABC
She is going to be patient try to learn more about their customs, their culture learn more English for it can be easy to her communicate with them. She new places for she can feel comfortable in the city. She will talk with host tabout important things she should know about the country and them.		000
Are you willing to be placed with a Host Family with a different religion? How would you accommodate?	She does not have any problem with the religion of the new host family because she likes to respect other people and she can also learn something about the family and their religion.	000
How do you feel about being placed with a Host Family of a different race or different political views or beliefs?	She thinks that the first times can be complicate but she says that it is going to be easy to accomodate to them because she is openmind and she likes to respect people and other points of view.	000
What problems do you anticipate while living with a Host Family?	She thinks that probably she could have problems if she does not have her own space or if they do not respect her schedule,.	000
How much notice do you need before leaving to be placed with a Host Family?	She says one month.	000
Child Care Circumstance	Au Pair Answer	ABC
Please describe how you would respon	d to the following circumstances.	
A 4 year old child in a toy store asks for a toy that her parents have told you she may not have.	She will explain the baby that she can not have the toy because her parents told her before that she can not have it and if she cries she can play with her until she can relax herself and feel better.	000
Two young children are fighting over a piece of candy.	She can cut the candie in two pieces and explain them that there is no reason to be fighting for a candie because they are brothers and that they need to love each other. Explain them that it is important to share.	000
The Host Family asks you at the last ninute to watch the kids while they go out that night. You have already made plans for that night with friends and the Host Family knew about your plans.	She says that it is not a problem to her cancel her plans and help the host family if they need.	000
The 2 year old child you are caring or fell down and cut his chin, which s bleeding.	She will keep calm and take the child to a safe place and call immediatly to 911 for they can come and finally call his parents for they can come quickly.	000
	She will try to discipline the child paying him attention all the time or helping him in everything that he needs. She will talk to him nicely for he can understand.	

She can play with them, bath them, teach them letters and simple words, show them the colors, dance, listen to music, prepare the food for they can eat. She can play with them, bath them, teach them letters and simple words, show them the colors, dance, listen to music, prepare the food for they can eat. Play some sports, take short walks, play with them and their toys, cook them their favorite food, teach them numbers and letters, help them do their homework, teach them how to swim, go to the playground, to plan them playdates with another children. She can help them do their homework, start talking them about good behaviors, take them to their afternoon activities, go to their swimming classes, practice some sports. She can help them do their homework, start talking them about good behaviors, take them to their afternoon activities, go to their swimming classes, practice some sports. She can teach them good habits, give them good advice, help them in everything that they can need, pick them from school, go to the mail or the place they will need. First she will take the old diaper, clean the baby with wipes, then put powder or cream and finally put the new diaper and dress the baby again.
